1 attorney Daniel Perlman to specially appear for me on June 30,  
2 2008.

3 3. While in Japan, my father-in-law required urgent medical  
4 attention. Moreover, on June 20, 2008, my sixteen month old son  
5 was taken to the Ebina Sogo Hospital emergency room due to an  
6 asthma attack. The doctor advised us to monitor him closely.  
7 Shortly thereafter, he was hospitalized in Sagamihara National  
8 Hospital wherein he was hooked-up to a respirator and an I.V. for  
9 approximately one week, as evidenced by the receipt incorporated  
10 herein by reference and attached hereto as Exhibit A. My wife  
11 and I took turns staying with him every hour that the hospital  
12 allowed. Upon his temporary discharge, evidenced by the  
13 temporary discharge form, incorporated herein by reference and  
14 attached hereto as Exhibit B, and after discharge we continued to  
15 monitor his health closely. Upon our return, he had another  
16 asthma attack that we treated at home with prescribed medication  
17 and a respirator. Appropriate follow-up medical treatment is  
18 still required per the Japanese physician's letter.

19 I declare, under penalty of perjury, that the foregoing is  
20 true and correct.
